

TRACK DAYS

Experience the fascination of motorsport up close and personal – with HRT’s range of track days. At iconic European racetracks, you will enjoy exclusive all-round care and professional coaching from the successful Haupt Racing Team. Our fully customizable track day packages are suitable for all target groups – from the beginner wishing to put their driving ability to the test, to the ambitious expert looking to refine their skills. You can take to the track in your own car or, if you wish, drive a perfectly set-up HRT racer. Either way, we guarantee you an unforgettable experience.
